---

## AN ACT

To amend chapter 163, RSMo, by adding thereto one new section relating to state aid calculations for school districts with a higher-than-average student population with elevated blood lead levels.

---

---

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Chapter 163, RSMo, is amended by adding thereto one new  
2 section, to be known as section 163.048, to read as follows:

3 **163.048. When calculating state aid payments for any school**  
4 **district in this state that provides credible evidence to the department**  
5 **of elementary and secondary education that such district has a higher-**  
6 **than-average student population with elevated blood lead levels of at**  
7 **least ten micrograms per deciliter (10 µg/dl), such district's "special**  
8 **education threshold", as such term is defined in subdivision (17) of**  
9 **section 163.031, shall be zero. The department of elementary and**  
10 **secondary education shall consult with the department of health and**  
11 **senior services to determine the average student population having**  
12 **elevated blood lead levels of at least ten micrograms per deciliter (10**  
13 **µg/dl).**
